

Romantic Palm Springs Hotels You'll Love

Motel Moderne: V Palm Springs

By Susan Breslow Sardone

<http://honeymoons.about.com/od/southernca/ss/Romantic-Palm-Springs-Hotels-Youll-Love.htm#step12>

About.com Travel says:

A former TravelLodge motel that's been deconstructed and rebuilt to appeal to a new generation of travelers, the V tries to have it both ways: As a hipster haven and also a family-friendly resort. If you mind the screams of kids cannonballing into the large pools, requisition one of the free tandem bikes and escape for a ride.
